Re: Generator Coordination

Attention: Mr. Steven Kinser, Remedial Project Manager

Gentlemen:

Reference is made to the Martha C. Rose Chemical Company Generator Listing, Revision No. 2 dated October 22, 1986 prepared by the REM IV Team.

At the request of Mr. Scott Pemberton, of your office, we have enclosed one IBM compatible computer diskette containing the generators names and addresses which have been updated with the actual mailing addresses as used in the 104 letters we have received copies of to date. A second copy of the diskette is on file at Black & Veatch. The diskette has the following label:

Martha C. Rose Chemical Company
Generator Listing
REM IV - 104 letter update
December 17, 1986
Diskette C - EPA copy

There are three files on diskette C. They are:

File Name	Description
1. EPA.DBF	Generator Files
2. CO.NDX	Index File by Company
3. MCRGEN.LBL	Label File to Print in Label Format

This diskette supersedes the diskette furnished with our letter dated December 4, 1986.

Please note that the generator listing has not been completely updated since we have not received all of the 104 letters from Region VII, however, it is the most current copy. We will continue to update the database as we receive copies of the 104 letters.

During a meeting at Region VII on Wednesday, December 10, Mr. Pemberton requested assistance in resolving addresses and contacts for the following generators:

- Huntington Development Company, Huntington, WV
- PCB Helper, Inc.
- Delano Granite, Inc.
- Krafcor

We have written to the Secretary of States offices in West Virginia and Minnesota for additional information for Huntington Development Co., Inc. and Delano Granite, Inc. respectively.

The following information was gathered for PCB Helper, Inc. and Krafcor.

PCB Helper, Inc.

According to Region VIII EPA, the company name is actually HELPER, Inc. (Hazardous Electrical Line Power Equipment Removal). The company recently moved from Coleman, South Dakota to Madison, South Dakota. Their new address is:

HELPER, Inc.
RR 2, Box 155 (Physical location)
P. O. Box 505
Madison, SD 57042

Owners: Jerry Boulais and Dan Pardy

EPA ID # is SDD-980-634-646

Krafcor

According to the Missouri Secretary of State, the company forfeited for nonpayment of franchise tax. Their registered agent is:

Flavius B. Freeman, Registered Agent
Krafcor Corporation
1949 E. Sunshine, Suite 1-130
Springfield, MO 65804

At the same meeting Mr. Pemberton also requested we review our files and provide copies of the available documentation for the following generators:

- Dallas Power & Light
- Environmental International, Inc.
- Pittsburgh/Des Moines
- Solomon Electric

Attached are copies of the following documents:

City of Dallas

- Copy of Manifest #1710

Environmental International, Inc.

- Copy of Manifest #18
- Copies of Manifest #H1121-001-003

Pittsburgh/Des Moines

- Copy of Manifest #0401

Solomon Electric Company

- Copies of manifest #'s 15, 16, 19

As you requested during a recent telephone conversation we have also checked on the documentation available in our files for Reynolds Metal. Attached are copies of the following manifests.

- U.S. Ecology Manifest #8438
- Michigan Department of Natural Resources #MI 0546646

At your request we have also investigated the "return to sender" occurrence for the certified letter sent to the Warren Truck Plant of the Chrysler Corporation. The certified mail receipt was signed by "White", opened and marked "return to sender". Our Ms. Jan Walstrom talked to Mr. Murphy (telephone call), a security officer at the plant. Mr. Murphy indicated

that Region VII should photocopy the receipt and envelope and forward with a letter requesting inquiry to:

Jim McMannis
Chief of Security and Fire Prevention
21500 Mound Road
Warren, MI 48091

The certified letter can be re-sent to:

Barbara Ondrisek
Safety Manager
21500 Mound Road
Warren, MI 48091

The telephone number at the plant is (313) 497-2323.

If you have any questions pertaining to the generator revisions or supporting documentation, please do not hesitate to contact us.

Very truly yours,

BLACK & VEATCH

J. Richard Kaufman

PLACARDS REQUIRED

NOTE - Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding $_____ Per _____

Subject to Section 7 of the conditions, if this shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement: The carrier shall not make delivery of this shipment without payment of freight and all other lawful charges. _____ (Signature of Consignor)

FREIGHT CHARGES: PREPAID ☐ COLLECT ☐

RECEIVED, subject to the classifications and tariffs in effect on the date of the issue of this Bill of Lading, the property described above in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated above which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any of, said property over all or any portion of said route to destination and as to each party at any time interested in all or any said property, that every service to be performed hereunder shall be subject to all the bill of lading terms and conditions in the governing classification on the date of shipment.
Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classification and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.
