Thanks Jeannie. For some reason I didn't get the email last week. I went through everything I had from you and there was nothing regarding the January 8th meeting. I also seemed to have the same address for the small building so thank you for clarifying that.

I can bring a flip chart that sits on a table if you would like me too. They are the post it type so can stick on a wall also. Just let me know and I can throw it in.

Thanks

Couple of logistical questions:

1. Are we meeting in the same building as we did the proposal interviews or the other larger building? If it is the larger building is there a room number we should know about? NO, I sent out the address last week, the MAINE CTDOT building at 2800 Berlin Tpke, Newington, CT
2. Is someone supplying a screen and a projector or does one need to be brought to the meeting? THE PROJECTOR IS INCLUDED AND I AM BRINING A BACKUP LAPTOP AND PROJECTOR
3. Approximately how many people will be in attendance? 10 CONFIRMED
4. A half hour has been noted for a lunch break. Is it being supplied there or are we going out for it? Is there a cafeteria on site where it can be purchased, etc. CAFE IN THE BLDG<RECOMMEND BRINGING LUNCH
5. Is a white board or flip chart available for note taking etc.? NO.

Answers to these questions would be helpful in allowing us to properly plan for Tuesday's meeting.

Sincerely,

Lynn McLeod, PMP

All:

I am still working on some of the figures; however, here is where the presentation stands as of this morning for next

Tuesday's meeting. We will also be providing a handout of Tables 1 and 2 from the original ZSF report which have the applicable MPRSA Regulations.

Carlton and Lisa will be on the call this afternoon to discuss.
