Sorry, Jason, for being a few days late.
Feel free to go ahead and issue the permit as final.
Thanks.

OK, thanks, Jason.
Next few days, OK?

I am attaching our draft response to comments. Nothing of note and we do address some of the comments that have to do with the previous permit but the comments on the current modification that was made are the ones we try to address. Let me know when you have reviewed it and we will submit the final permit.

Thanks
