Ms. Dorka and Ms. Martizez,

I have been assigned to respond to the above referenced administrative complaint on behalf of the Hawaii Department of Agriculture – Pesticide Branch. The response is currently due on April 12, 2017. HDOA has never received a copy of the Earthjustice Complaint that details the allegations.

I was able to print a 29 page document dated September 14, 2016 from the internet. This document refers to 14 exhibits, which were not part of the 29 pages retrieved from the internet. I'm not really sure this is the same document referred to in your letter to Director Enright dated March 9, 2017 (administrative complaint filed by Earthjustice on behalf of the Moms on a Mission Hui and Po' ai Wai Ola/West Kauai Watershed Alliance).

Would it be possible for your office to provide me with a copy of the Earthjustice administrative complaint and exhibits so I may properly respond to the allegations? It would be greatly appreciated if you could email me copies.

If you have any questions, please do not hesitate to contact me. Thank you so much for your help!!

Delanie
