Hello Heidi,
We'd be happy to discuss the NORM disposition process. Please let us know a time and a call number at your convenience.

Thank you,

I'm happy to provide the subject reports for agency review.

This submission completes the SEC analyses of the three buildings slated for demolition.

As you know SEC has submitted the reciprocity application.

I would now like to move ahead and incorporate SEC's recommendations into the demolition plans for final review by the agencies.

Thanks for your help with this.

Please contact me if you need additional information.

Ellis
