Hi Randy,

FYI (in case Sven or Denis didn't get in touch yesterday): Senator Rockefeller's staff (Pat Bond) needed to reschedule this briefing for later in the day. To make this change as easy as possible -- and to eliminate the need for you to change your travel arrangements -- we're planning to just swap the times for the Congressional briefing and the Virginia devm't projects meeting, so that the VA meeting will now be from 10-11 and the Hill briefing will now be from 12-1.

We'll work on making associated changes to the remaining calendar invitations today.

Thanks,
Matt
