Aloha Chauncey, Tom, and Stuart,

Attached below is the draft Statement of Basis and the revised draft of the UIC permit for Maui County's Lahaina WRF. You have seen this revised draft permit in April, but we are now forwarding the draft Statement of Basis for your preview before public noticing it. If you would like to provide us any comments on the Statement of Basis, please provide them by friday, May 15, or Monday, May 18, at the lastest.

We are planning to public notice the revised draft permit on or about May 24. I will send a copy of the notice to Chauncey when we publish it.

Thank for all your input, Nancy
