That sounds good Ethan, we use Teams as well so that will be perfect. On our side it will be Angie Casbon-Scheller and me from the environmental department and Dave Reherman from the plant. I have included Angie and Dave here so you will have their addresses for the invite.
Thanks Ethan.

Sounds good. It will most likely just me on the call then. I can send a Teams call invite/#, if that works?

Hi Ethen, Friday 18th at 10 am CST works for us. Re a call including the attorneys, my thoughts are that this would be a technical only call.

Scott – Would Fri 11/18 at 9 or 10 am CT work? Were you thinking this would be a technical only call or do you want to include lawyers as well?

Good afternoon Ethan. Thank you for visiting with me about scheduling an update call to discuss the attached reagent injection rate data request letter. I just left you a voice mail and I have to apologize in that the plant operations people that need to be on the call are out next week. Can we please move the discussion back one week to Friday November 18th? Again, I apologize for my oversight.
Thank you Ethan.
