Bill,

Where are these two individuals and Mr Branham in the crane plan? There cert paper is for cat three crane, the travel lift is a cat one. Look at table 7-1 on Pg's 7-5 & 7-6 it shows what they need to have.

R/Shawn

Shawn:

Here is two from our Norfolk operation. John (Mark) Guinn is the tug chief as well (SECNAV submitted yesterday) and Kris Aultice's SECNAV was submitted 22 May. We are continuing to work on the commercial operator.

Subject: Travel lift plan

All,

Sorry to bother you but we really need to get the copies of your Travel lift peoples qualifications. Chief Lint is working this issue but he needs to see the qualifications.

Thanks,
V/r

Table 7-1 Training Courses for WHE Job Functions

Course Title / Frequency / Job Function	Crane Mechanic Once	Mobile Crane Mechanic Once	Mechanical Crane Inspector Once	Crane Electrician Once	Electrical Crane Inspector Once	Load Test Director Once	Certifying Official Once	Contractor Crane Awareness Once
Crane Mechanic: Note 04	X							
Mobile Crane Mechanic: Note 04	X	X Note 09						
Mechanical Crane Inspector: Notes 04 & 11	X	X Note 09	X Note 10					
Crane Electrician: Note 04				X				
Electrical Crane Inspector: Notes 04 & 11				X	X Note 12			
General Inspector: Notes 04, 11 & 13	X	X Note 09	X Note 10	X	X Note 12			
Load Test Director: Notes 04 & 14						X		
Certifying Official: Note 04							X	
Contracting Officer Representatives who perform oversight of contractor WHE operations								X

Notes

09 Satisfactory completion of *Crane Mechanic* is prerequisite to taking this course.

10 Satisfactory completion of *Mobile Crane Mechanic* is prerequisite to taking *Mechanical Crane Inspector* for personnel who will be inspecting mobile cranes.

11 Personnel who perform maintenance and/or condition inspections are required to satisfactorily complete *Mechanical Crane Inspector* or *Electrical Crane Inspector*, as applicable.

12 Satisfactory completion of *Crane Electrician* is prerequisite to taking this course.

13 Crane inspectors who inspect both mechanical and electrical components (i.e., General Inspector) must satisfy these requirements.

14 Satisfactory completion of the applicable crane safety course [for the type of crane to be tested by the candidate] is prerequisite to taking *Load Test Director*.

Table 7-1 Training Courses for WHE Job Functions

Course Title / Frequency / Job Function	General Crane Safety Initial	General Crane Safety Refresher Every Two Years (after initial)	Category 2 and Cab-Operated Category 3 Crane Safety Initial	Category 2 Crane Safety Refresher Every Two Years (after initial)	Category 3 (non-cab-operated) Crane Safety Initial then repeated Every Three Years	Category 4 Crane Safety Initial	Rigging Practices Once	Rigging Gear Inspection Once
Category 1 Crane Operator: Note 01	X	X						
Mobile Boat Hoist or Rubber-Tired Gantry Crane Operator Note 01			X Note 03	X Note 07				
Category 2 Crane Operator: Note 02			X Note 03	X Note 07				
Category 3 Cab-Operated Crane Operator			X Note 03	X Note 07				
Category 3 Non-cab Crane Operator: Notes 04 & 05					X Note 06			
Category 4 Crane Operator: Note 01		X				X Note 03		
Rigger: Note 04							X	
Rigging Gear Inspector: Note 04								X Note 08

Notes

01 Category 1 and category 4 crane operators shall also satisfy the requirements in this section, section 8, and appendices J and L, as applicable. Mobile boat hoists and rubber-tired gantry cranes are category 1 cranes although *Category 2 and Cab-Operated Category 3 Crane Safety* is the designated training course for these cranes.

02 Category 2 and cab-operated category 3 crane operators shall also satisfy the requirements of this section, section 8, and appendix K.

03 Satisfactory completion of *General Crane Safety* or *Category 4 Crane Safety* satisfies the requirements of this course.

04 Personnel shall also satisfy applicable appendix N requirements.

05 Personnel who meet Category 3 non-cab operated qualification requirements may perform rigging on category 3 cranes. All other rigging requires satisfactory completion of *Rigging Practices.*

06 Satisfactory completion of *General Crane Safety* or *Category 2 and Cab-Operated Category 3 Crane Safety* or *Category 4 Crane Safety* satisfies the initial training requirements of this course.

07 Satisfactory completion of *General Crane Safety Refresher* or *Category 2 Crane Safety Refresher* satisfies the retraining requirement for this course.

08 Satisfactory completion of *Rigging Practices* satisfies the requirements of this course.
