Interested Parties

Summary: On January 13, 2015, you received the revised tentative Waste Discharge Requirements (WDRs) and National Pollutant Discharge Elimination System (NPDES) permit for Norwalk Industries, Ecology Auto Parts (CA0052928).

Pursuant to Division 7 of the California Water Code, the California Regional Water Quality Control Board, Los Angeles Region (Regional Board) at a public hearing held on February 12, 2015, reviewed the revised tentative requirements, considered all factors in the case, and adopted Order No. R4-2015-0023. You will find the Order and the cover letter to the discharger attached.

The Regional Board Watershed Regulatory Section is sending our correspondence with PDF Format through email. You will not receive a hard copy unless you are the addressee of the attached correspondence. If you want a hard copy to be sent to you, please contact our staff.

The attached document is in Adobe Acrobat PDF format. You can obtain an Acrobat Reader free of charge at http://www.adobe.com/products/acrobat/readstep2.html.
