Subject: Wellman Facility Information Request

Good morning Ms. Murrow. As mentioned in my voice message, I've been asked to help Arkema respond to the above-referenced information request. I believe we can provide a full response within the next 90 days. Would you let me know if that would be problematic on your end?

Also, would you please provide me with a copy the nexus materials -- i.e. the documents EPA already has which it believes pertain to Pennwalt and establish a response obligation under RCRA 3007 and CERCLA 104(e)?

Thank you!
